By staying updated on these matters, the Board can ensure compliance and understand the potential implications and consequences that may arise. Hence, the Company Secretary has and will constantly keep herself abreast, through continuous training on the regulatory changes and development.

The Company Secretary, or her representatives, attend and ensure that all Board and Board Committees meetings are properly convened. The decisions made and/or resolutions passed thereof are recorded in minutes of meetings and kept at the registered office of the Company together with its statutory registers.

Access to Information and Advice

The Directors have individual and independent access to the advice and dedicated support services of the Company Secretary in ensuring the effective functioning of the Board. Generally, the meeting papers for the Board Meeting and/or respective Board Committees meetings are circulated at least seven (7) days prior to the meetings. In promoting productive discussions during the respective meetings, the Directors may seek advice from the Management on issues under their respective purview. The Directors may also interact directly with the Management, or request further explanation, information or updates on any aspect of the Group's and of the Company's operations or business concerns from them.

Furthermore, any actions or decisions taken during previous meetings are reported and followed up on in subsequent meetings. This allows for proper tracking and accountability, ensuring that the resolutions and tasks identified in earlier meetings are addressed and progress is made.

In addition, the Board may seek independent professional advice at the Company's expense on specific issues to enable it to discharge its duties in relation to matters being deliberated. Individual Directors may also obtain independent professional or other advice in furtherance of their duties, subject to the approval of the Board, depending on the quantum of the fees involved.

Appointment of New Directors to the Board

The NC is responsible for ensuring that the procedures for appointing new Directors are transparent and rigorous, with appointments based on merit. The NC is guided by the Directors’ Fit and Proper Policy in evaluating the suitability of individuals for appointments as new Directors.

It has been a practice of the Company that NC will carry out an interview with the candidate prior to his/her appointment as a director of the Company. All candidates for appointment are first considered by the NC, taking into account the mix of skills, competencies, experience, professionalism and other relevant qualities required to well manage the business, with the aim of meeting the current and future needs of the Board composition. The NC also evaluates the candidates’ character integrity and ability to commit sufficient time to the Company.

The Board does not have a specific policy on gender diversity but remains committed to promoting fair and equal opportunities and fostering diversity across the Group.

Tenure of Independent Directors and Annual Assessment of Independence

The Board acknowledges the vital role of Independent Directors in ensuring proper checks and balances on the Board. Their ability to provide unbiased and independent views and perspectives in Board deliberations and decision making is essential in safeguarding the interests of the Group and the minority shareholders.

The NC played an important role in assisting the Board to assess the independence of INEDs of the Company on an annual basis. Based on the assessment conducted by the NC for FY2025, the Board is generally satisfied with the level of independence demonstrated by all the Independent Directors of the Company and their ability to act in the best interest of the Group.

The NC develops the criteria to assess independence of Independent Directors, including but not limited to directors’ background, family relationships, interest of shareholdings in the Company and related party transactions with the Group (if any).

Other factors considered for the appointment of independent director will include the level of independence of the candidate. The NC leads the process of identifying and making recommendations for the Board’s approval on suitable candidates for directorship to the Board and members to the Board Committees. The Board will then, based on the recommendation of the NC, evaluate and decide on the appointment of the proposed candidate.

The NC will assess the potential candidate’s suitability and the candidates are required to declare and confirm in writing their independence based on the criteria on independence as set out in the ACE LR.

The NC will also review the composition of respective Board Committees of the Company to ensure its effectiveness in functioning.

Re-election of Directors

The Company's Constitution provides that one-third of the Directors for the time being, or if their number is not 3 or a multiple of 3, then the number nearest to one-third, shall retire from office at each AGM. Each Director shall retire once at least in each 3 years but shall be eligible for re-election.

Board Evaluation

The NC has also established a set of quantitative and qualitative performance criteria to evaluate the performance of each member of the Board, each Board Committee and review the performance of the Board as a whole. The criteria for assessment of Directors shall include attendance record, intensity of participation at meetings, quality of interventions and special contributions.

On 15 July 2025, an assessment of the effectiveness of the Board, respective Board Committees and Independence was carried out in respect of FY2025. An appraisal form which encompasses quantitative and qualitative performance criteria to evaluate the performance of each member of the Board as well as each Board Committee, was circulated at the NC meeting for assessment. The NC reviewed the required mix of skills, experience and other qualities of the Board and Board Committees and agreed that they have the necessary mix of skill, experience and other qualities to serve effectively.

Notwithstanding the recommendation of the MCCG, the Company does not practise any form of gender, ethnicity and age group biasness as all candidates shall be given fair and equal treatment. The Board believes that there is no detriment to the Company in not adopting a formal gender, ethnicity and age group diversity policy as the Company is committed to provide fair and equal opportunities and nurturing diversity within the Company.

The Board is of the view that the appointment of Board member or management should be determined based on objective criteria, merit and with due regard for diversity in skills, experience and other qualities regardless of gender but will nevertheless consider appointing more directors of the female gender where suitable to be in line with the MCCG's target. In addition, the Board also strives to broaden the diversity of the Board and KSM from time to time.

4. Remuneration (Cont'd)

Given the confidential and commercial sensitivities associated with remuneration matters and the highly competitive human resource environment and the importance of ensuring stability and continuity of business operations with a competent and experienced Management team in place, the Board takes the view that there is no necessity for the Group to disclose the names of the Company's Senior Management personnel who are not Directors or the Chief Executive Officer.

PRINCIPLE B: EFFECTIVE AUDIT AND RISK MANAGEMENT

1. Audit, Sustainability and Risk Committee

The Audit Committee has been renamed to Audit, Sustainability and Risk Committee on 4 July 2024 to reflect its expanded scope and responsibilities to better support the Board in overseeing the Company's framework, strategies and initiatives related to audit, sustainability, corporate governance and risk management.

The ASRC comprises solely of independent Directors and none of the ASRC members were former key audit partners. The ASRC is chaired by an INED, Dato' Jimmy Ong Chin Keng who is a Chartered Accountant and holds a professional qualification from the Malaysian Institute of Certified Public Accountants and is a member of Malaysian Institute of Accountants ("MIA"), which is in compliance with Rule 15.09(1)(c) of the ACE LR.

Annually, the composition of ASRC is reviewed by the NC and recommended to the Board for its approval. With the view to maintain an independent and effective ASRC, the NC ensures that only an INED who is financially literate, possess the appropriate level of expertise and experience, and has strong understanding of the Company's business would be considered for membership in ASRC.

The ASRC Report as set out in this Annual Report, provides the details of the ASRC's activities which among others, include the annual assessment on the suitability, objectivity and independence of the external auditors.

The roles and responsibilities of the ASRC are spelt out in the TOR of the ASRC which is available in the Company's website at www.ybsinternational.com.

2. Risk Management and Internal Control Framework

The Board fulfills its responsibilities in the risk governance and oversight functions through its Risk Management Committee ("RMC") in order to manage the overall risk exposure of the Group. The RMC assessed and monitored the efficacy of the risk management controls and measures taken, whilst the adequacy and effectiveness of the internal controls were reviewed by the ASRC in relation to internal audit function for the Group. The RMC comprises of the Group MD & CEO and management team who are familiar with the business situation of the Group. The Board is satisfied with the performance of the RMC and ASRC and their respective Chairman in discharging their responsibilities, based on the results of the Board Committees Effectiveness Evaluation of the 2024/2025.

The Board is of the view that the internal control and risk management system in place during FY2025, is sound and sufficient to safeguard the Group's assets and shareholders' investments, and the interests of customers, regulators, employees and other stakeholders. PRINCIPLE C: INTEGRITY IN CORPORATE REPORTING AND MEANINGFUL RELATIONSHIP WITH STAKEHOLDERS

1. Communication with Stakeholders

The Board recognises the importance and need for shareholders and stakeholders to be informed of all material development and performance of the Group. The information is disseminated through annual reports, circulars to shareholders, press releases, quarterly reports and announcements made from time to time to Bursa Securities. All material announcements are reviewed and endorsed by the ASRC (as applicable) and the Board prior to release to the public through Bursa Securities.

In addition, the Company's website at www.ybsinternational.com provides information on the Group's business, corporate development and announcements to Bursa Securities. Other information relevant to shareholders and investors such as share price volume history, technical charting, annual reports, circulars and quarterly reports are available for download at the Company's website.

2. Conduct of General Meetings

The AGM of the Company is an important means of communicating with its shareholders. The notice of 22nd AGM held on 29 August 2024 was sent to the shareholders, proxies and corporate representatives at least twenty-eight (28) days prior to the meeting date and published in a major local newspaper. This ensures adequate time given to shareholders allows them to make necessary arrangements to attend and participate either in person, by corporate representative, by proxy or by attorney. Items of special business included in the notice of 22nd AGM were accompanied by an explanation of the proposed resolutions. All suggestions and comments put forth by shareholders, proxies and corporate representatives were noted by the Board for consideration.

The shareholders who were unable to attend the AGM in person were encouraged to appoint the Chairman of the 22nd AGM to act as proxy to attend and vote at the 22nd AGM on their behalf by submitting the proxy form with pre-casted voting instruction.

All Directors and KSM were present at the 22nd AGM of the Company held on 29 August 2024. The Chairman of the meeting also invited shareholders to raise questions pertaining to the Company's financial statements and other items for adoption at the meeting. The Directors, KSM and external auditors were in attendance to respond to the shareholders' queries.

The Board took note of the advantages of remote shareholders meeting as promoted by the MCCG. However, the Board is of the opinion that the implementation of the remote shareholders meeting will only be conducted based on various considerations taking account on the number of shareholders and their location and costs involved.

This statement is made in accordance with a resolution of the Board dated 25 July 2025.
