Explanatory Notes:

1. Ordinary Resolutions 1 and 2 on Directors' fees and benefits payable

Directors' fees and benefits payable have been reviewed by the Remuneration Committee ("RC") and the Board of Directors ("Board") which recognise that the Directors' fees and benefits payable are in the best interest of the Company. Directors' fees are solely for the Independent Non-Executive Directors ("INEDs"). The amount also includes contingency sum to cater for unforeseen circumstances such as the appointment of any additional INEDs, additional unscheduled meetings of Board and Board Committees (collectively, the Nominating Committee ("NC"), RC and Audit, Sustainability and Risk Committee ("ASRC")) and/or for the formation of additional Board Committees.

Upon approval, this will facilitate payment of Directors' fees and benefits payable on current financial year basis, based on the current board size and assuming that all Directors shall hold office until the end of the financial year. In the event the proposed Directors' fees and benefits payable are insufficient (due to enlarged board size, if any), approval will be sought at the next AGM for additional fees to meet the shortfall. It will also authorised payment to be made by the Company on a monthly basis and/or as and when incurred. The Board is of the view that the payment arrangement is fair and equitable particularly after they have discharged their responsibilities and rendered their services to the Company throughout the relevant period. This approval shall continue to be in force until the conclusion of the next AGM of the Company in 2027.

Details of Directors' fees and benefits paid/payable for the financial year ended 31 March 2026 are enumerated under the Corporate Governance Overview Statement in the Annual Report 2026.

NOTICE OF ANNUAL GENERAL MEETING (CONT'D)

Explanatory Notes (Cont'd):

2. Ordinary Resolutions 3, 4 and 5 on re-election of Directors

Information on the Directors standing for re-election under Ordinary Resolutions 3, 4 and 5 are set out under Profile of Directors in the Annual Report 2026. The retiring Directors had abstained from deliberation and decision on their own eligibility to stand for re-election at meetings of the NC and Board, as applicable. The retiring Directors do not have any conflict of interest with the Company and its subsidiaries ("the Group") other than as disclosed in the notes to the financial statements (if any). The Board approved the recommendations from the NC and is supportive of the re-election of the retiring Directors based on the justifications below:

Yong Chan Cheah is the Managing Director and Chief Executive Officer of the Group. He develops and oversees the implementation of the Group's business and strategic goals. Drawing on input from the Board, he formulates short and long-term business plans in line with the strategic goals focusing on business expansion through development of new products, securing new customers and new market expansion. He has contributed significantly by steering the Group forward with notable achievements during his tenure of service.

Yong Li-Xiang was appointed as the Executive Director of the Company on 01 October 2025. He began his career in the Group as Product Engineer specialising in the aerospace and telecommunication sectors where he has been actively involved in managing the New Product Introduction (NPI) process. He is currently taking full responsibility for the facility, including renovation, marketing, business development, operations etc of a new operating site of the Company and is consistently exploring for new business opportunities.

Najihah Binti Abas was appointed as the Independent Non-Executive Director of the Company on 01 October 2025. She has significant experience in investment promotion, industrial development, and corporate management. She has demonstrated her objectivity through her proactive engagements during meeting of the Board by sharing valuable, relevant, independent and impartial insights, views and opinions on issues tabled for discussion. She has exercised due care and carried out her professional duties proficiently and effectively throughout her tenure as a Director of the Company.

3. Ordinary Resolution 7 on Authority to Directors to issue and allot shares pursuant to Sections 75 and 76 of the Companies Act 2016

This Ordinary Resolution 7, is for the purpose of granting a renewed general mandate ("General Mandate") and if passed, will give authority to the Board to issue and allot ordinary shares up to a maximum of ten per centum (10%) of the total number of issued shares (excluding treasury shares) of the Company at any time in their absolute discretion and that such authority shall continue in force until the conclusion of the next AGM of the Company or the expiration of the period within which the next AGM is required by law to be held or revoked/varied by resolution passed by the shareholders in general meeting, whichever is the earlier.

As at the date of this Notice, no new shares in the Company were issued pursuant to the mandate granted to the Directors at the last AGM held on 29 August 2025 and which will lapse at the conclusion of the 24th AGM.

The General Mandate will provide flexibility to the Company for any possible fund-raising activities, including but not limited to further placing of shares, for purpose of funding future investment projects, working capital and/or acquisitions as well as to avoid any delay and cost in convening general meeting to specifically approve such an issuance of shares.

The waiver of pre-emptive rights pursuant to Section 85(1) of the Act and Paragraph 62(1) of the Company's Constitution will allow the Directors of the Company to issue new shares of the Company which rank equally to existing issued shares of the Company, to any person without having to offer the new shares to all existing shareholders of the Company prior to issuance of new shares in the Company under the General Mandate.

At this juncture, there is no decision to issue new shares but the Directors consider it desirable to have the flexibility permitted to respond to market developments and to enable allotments to take place to finance business opportunities without making a pre-emptive offer to existing shareholders. If there should be a decision to issue new shares after the general mandate is obtained, the Company will make announcement in respect thereof.

The Proposed Change of Company Name is part of a corporate rebranding initiative to better reflect the organisation's business strategy, expanded services, and future growth objectives.
