

# CORPORATE GOVERNANCE OVERVIEW STATEMENT

The Board of Directors (“Board”) of YBS International Berhad (“YBS” or “the Company”) is pleased to provide an overview of the Company’s corporate governance practices during the financial year ended 31 March 2023 (“FY2023”) with reference to the 3 Principles as set out in the Malaysian Code on Corporate Governance (“MCCG” or “the Code”). The Company’s application of each Practice set out in MCCG during the financial year 2023 is disclosed in the Company’s Corporate Governance Report (“CG Report”) which is available on the Company’s website at <http://www.ybsinternational.com> as well as via the Company’s announcement made to Bursa Malaysia Securities Berhad (“Bursa Securities”).

This statement is prepared in compliance with Bursa Securities ACE Market Listing Requirements (“ACE LR”) and it is to be read together with the CG Report.

The Board recognises the importance of good corporate governance and is committed to ensure that good corporate governance is being practised by the Group in order to safeguard stakeholders’ interests as well as enhancing shareholders’ value. The Board has continued its efforts in raising the bar in the Company’s corporate governance standards set out in the Code through various measures for implementation from time to time.

## PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS

### I. Board Responsibilities

The Board is responsible for oversight and overall management of the Company and the delivery of sustainable value to its stakeholders. To ensure the effective discharge of its function and responsibilities, the Board established an internal governance model for delegating of specific powers of the Board to the relevant Board Committees, Managing Director of the Group (“CEO”) and Executive Director and the Senior Management of the Company and respective subsidiaries.

The Board plays an active role in the development of the Company’s strategy. The Board reviews and approves the annual business plan recommended by the Management. The Board has direct access to Senior Management and has unrestricted and immediate access to information relating to the Group’s business and affairs in the discharge of their duties. The Board will consider inviting the Senior Management to attend meetings for reporting on major issues relating to their respective responsibility.

The Board has established Board Committees, namely Audit Committee, Nominating Committee, Remuneration Committee, Risk Management Committee and ESOS Committee.

The Board Committees are entrusted with specific responsibilities to oversee the Group’s affairs, with authority to act on behalf of the Board in accordance with their respective Terms of Reference (“ToR”). At each Board meeting, minutes of Board Committee meetings will be circulated to the Board to keep the Board informed. The Chairman of the relevant Board Committees also report to the Board on key issues deliberated by the Board Committees at their respective meetings.

#### ***Separation of Roles of Chairman and CEO***

The Company practises a division of responsibilities between the Non-Independent Non-Executive Chairman and the CEO. Their roles are separated and clearly defined to ensure a balance of power and authority, increased accountability and greater capacity of the Board for independent decision-making. The Chairman is not related to the CEO. The positions of the Chairman and CEO are held by different individuals with clear and distinct roles which are formally documented in the Board Charter of YBS.

The Chairman is responsible for the Board’s effectiveness and conduct. He also promotes an open environment for debate and ensures effective contributions from Non-Executive Directors. The Chairman also exercises control over the quality, quantity and timeliness of information flow between the Board and Management. At a general meeting, the Chairman plays a role in fostering constructive dialogue between shareholders, Board and Management.

The CEO is in charge of the day-to-day operations of the business, making strategic business decision and implementing Board policies.

Generally, the meeting papers for the Board of Directors' Meeting and/or respective Committee Meeting are circulated at least seven (7) days prior to the Meetings. In promoting productive discussions during the respective Meetings, the Directors may seek advice from the Management on issues under their respective purview. In addition, the Board may seek independent professional advice at the Company's expense on specific issues to enable it to discharge its duties in relation to matters being deliberated. Individual Directors may also obtain independent professional or other advice in furtherance of their duties, subject to the approval of the Chairman or the Board, depending on the quantum of the fees involved.

##### *Board Charter*

#### II. Board Composition

The Board currently has seven (7) members comprising the Non-Independent Non-Executive Chairman, two (2) Executive Directors and four (4) Independent Non-Executive Directors. This composition complies with Rule 15.02 of the ACE LR whereby the Company must have at least two (2) Directors or one-third (1/3) of the Board, whichever is higher, who are Independent Directors.

The Board recognises the benefits of having a diverse Board to ensure that the mix and profiles of the Board members in terms of age, ethnicity and gender, provide the necessary range of perspectives, experience and expertise required to achieve effective stewardship and management.

In the event of any vacancy in the Board resulting in the non-compliance with the above, the Company must fill the vacancy within three (3) months. The Board is of the opinion that the interests of shareholders of the Company are fairly represented by the current Board composition and its size constitutes an effective Board of the Company.

The presence of the four (4) Independent Non-Executive Directors is essential in providing guidance, unbiased, fully balanced and independent views, advice and judgement to many aspects of the Group’s strategy so as to safeguard the interests of minority shareholders and to ensure that high standards of conduct and integrity are maintained by the Group.

The Board is mindful of the recommendation that the Board must comprise a majority of independent directors where the Chairman of the Company is not an independent director. The Board is of the opinion that other than his shareholdings in the Company, Dato’ Dr. Pahamin Ab Rajab has demonstrated that he is independent from the Management and free from business relationship that might interfere with his exercise of independent judgement.

The Board has not nominated a Senior Independent Non-Executive Director to whom concerns may be conveyed as the Board is of the opinion that given the strong independent element of the Board, any concerns regarding the Group may be conveyed by shareholders or investors to any of the Independent Directors at the following address and such concerns will be reviewed and addressed by the Board accordingly:

Notwithstanding the recommendation of the MCCG, the Company does not practise any form of gender, ethnicity and age group biasness as all candidates shall be given fair and equal treatment. The Board believes that there is no detriment to the Company in not adopting a formal gender, ethnicity and age group diversity policy as the Company is committed to provide fair and equal opportunities and nurturing diversity within the Company. The Board is of the view that the appointment of Board member or management should be determined based on objective criteria, merit and with due regard for diversity in skills, experience and other qualities regardless of gender but will nevertheless consider appointing more directors of the female gender where suitable to be in line with the Code’s target. In addition, the Board also strives to broaden the diversity of the Board and Senior Management from time to time.

#### I. Communication with Stakeholders

The Board recognises the importance and need for shareholders to be informed of all material development and performance of the Group.
